## Woof's Fund™

Our family foundation is helping millions of shelter animals live better lives.

With a focus on funding, education and research we are determined to guarantee all pets a loving home.

# Saving Lives

Every year 8 million dogs and cats become shelter or rescue animals.

Our mission to save more lives, encourage more leaders and build more partnerships will ensure that all pets get the second chance they deserve.

## Building Leaders

We collaborate with heavy lifters in animal welfare who are igniting change.

By forging connections with these trailblazers we help share their knowledge to inspire others and build future leaders.

# Supporting Foster Care

Thousands of foster caregivers across our nation provide a loving and healthy environment for shelter pets waiting to be adopted.

These caregivers are our heroes. We can't do it without them.

Learn to be a hero – we'll teach you how.
